A special staff of three tahsildars is attending to land acquisition work in the seepage affected areas of the Lower Bhavani Project. The land acquisition work under the Harijan Welfare Scheme is attended to by the District Welfare Officer himself. To quicken the tempo of work, the Collector has applied for additional staff. His proposals are under consideration.

2. There are more than 300 land acquisition cases under the Harijan Welfare Schemes in the Coimbatore district. In 1958–59, seventeen cases have been approved by the Collector. Of them, fifteen relate to the provision of house-sites and two relate to the provision of pathways. In six cases, proposals for the approval of section 4 (1) notification and section 6 declaration are under consideration. The remaining cases are expected to be finalised by the Collector shortly. An extent of 5 acres and 38 cents has been acquired in the Coimbatore district in 1958–59 under the scheme.
